XV. Rights of ownership

It is well known with the agreement of the user that text, software, music, sound, photographs, video, graphics, or any other material contained in the bands illustrated or any graphic CSS net service (or @ netP), are protected by international laws and ownership of copyright. The user understands and agrees that he is only allowed to use this material with express permission of the CSS service net (or @ netP/ou institution) or advertisers.

XVI. Disclaimer of warranties

The user expressly accepts that the use of the service is at your sole risk. The service is available as it appears and cannot be imputed responsibility or demanded guarantees of any kind. The CSS service net (or @ netP/ou institution) does not warrant that the service will never be stopped, nor that it will be completely safe or free of any failure or error. The CSS service net (or @ netP/ou institution) does not warrant that any information or file accessed by the user through the use of the service will be free from defects and that in such event could damage the user's software. For this reason the CSS net service (or @ netP/ou institution) and the owning company cannot be held accountable. The user is fully aware and agrees that any information or downloaded file using the service is at his own responsibility and risk, and that any damage that the transfer of data could lead namely in the operating system is his responsibility. The goods and services purchased using CSS net services (or @ netP/ou institution) are not subject to any such guarantee. Any information, advice or opinions given in writing or verbally to a user are not subject to warranty. If the legal system of a country does not allow the exclusion of warranties above expressed, they shall not be subject to deletion for the user.

XVII. Limitation of liability

The user agrees that this institution will not be held responsible for any damages resulting from the use or inability to use the service. The user also agrees that this institution will not be liable for any damages due to any definitive or temporary suspensions of service, justified or not, whether or not intentional. If the legal system of a country does not allow the exclusion of warranties above expressed, they shall not be subject to deletion for the user.

XVIII. Notification

Any notification to the user shall be given through email. The service can, in this way, notify users about any changes to the terms and conditions of the service.

XIX. General

The user accepts that any shortcomings in the provision of the service attributable to CSS net service (or @ netP) should not be cause for legal action by the user. The user accepts that any facts related to the terms and conditions of service shall be closed within one year after the fact that gave rise. The titles of the sections of the conditions of service have no relevance to a contract, existing only for convenience of organization.
